

Biography of Robaba Mohammadi

Robaba Mohammadi daughter of Khodadad was born on September 30th 2000 in Malistan district of Ghazni province of Afghanistan.

From first her parents found that their daughter's legs and feet were not able to move and she is disabled.

In 2003, with approximate security, traveled to Kabul with all family, in the hope treating her.

She visits many doctors and hospitals. for five years they take her to the Red Cross Hospital to make her healthy.

Unfortunately, the result was not very effective.

One day Robaba Mohammadi, who was walking slowly by taking the wall, suddenly lost her balance and handed down.

This issue caused that she shouldn't go hospital any more, She spent many years alone at home.

She was observing her brothers and sisters that they were going to schools with great interest, because she didn't have the ability to go, she was so upset.

but again she did not surrender, and with the help of her younger sister, she learned the alphabet and took the pen to her mouth and began to write.

Her enthusiasm for drawing and painting makes her create images. In the middle of 2015, she decided to follow painting.

She started her painting without any guidance or trainer, and she was master of her own, the world of design and painting become her world. She passed long hours with her paintings and drawings.

But it was about a year and a half that she could found many friends and followers in virtual world, and her career and painting was shown in many national and international medias.

she has held three major exhibitions of her artwork for the time being. Also she decide to do:

- 1: Establishing the Robaba Mohammadi's help group to help Afghan women with physical disabilities and to grow up their talent, which can be said to be a long-term plan that requires government and personal support from national and international celebrities.

2. Robaba Mohammadi want to be supposed to hold different exhibition in different countries ,

For the moment, she is busy with everyday life and she hosts many visitors of friends, national and international personalities in order to plain for the future, especially for the social foundation of Robaba Mohammadi and also she studies ESL. English as second language.
